

ROYAL ARMOURIES (INTERNATIONAL) plc

Environmental and Social Responsibility Policy Statement

At Royal Armouries (International) plc we are committed to working in a sustainable way. We are undertaking the following actions in order to achieve this:

1. We comply with the requirements of environmental legislation and approved codes of practice
2. We continuously seek to improve our environmental and social performance
3. We reduce pollution, emissions and waste
4. We reduce the use of energy, water and other resources
5. We raise awareness, encourage participation and train employees in sustainable business practices
6. We expect similar environmental standards from all suppliers and contractors
7. We assist customers to use products and services in an environmentally sensitive way
8. We liaise with the local community and respect our local residents
9. We have joined the Green Tourism Business Scheme as an indicator of our sustainable practices

We would like to ask you to help us – please refer to our Responsible Visitor Charter on our website and for staff - our staff induction and handbook.
